

## Genie Forklift

Genie Forklift Training Kingston - Genie is a globally acclaimed corporation that enjoys the spirit of collaboration with their vast network of associated consumers. Genie Industries prides itself on the intention of bringing materials and people higher and extending beyond the products they produce. Genie Industries strives to help clientele build their business no matter how large or small the level of operation may be.

The introduction of the Genie Hoist in 1996, a pneumatic, portable material lift initiated the start of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to meet customer demand. These modern goods secured universal recognition and established contemporary product design.

Currently, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to build and maintain foremost quality manufacturing and unbending level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material forklifts on the jobsite, the business is securely planted in their exceptional customer principles and service. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are personally committed to delivering expertise and maintaining customer rapport.

The meticulous team is constantly dedicated to recognize the most green and efficient, environmentally responsible methods to develop the products the consumers would like. The company's "lean production" methods help diminish waste while offering the utmost quality product possible in the shortest timeframe at the least expensive cost to the client. The team at Genie Industries is proud to serve the industry and this is reflected in every product they produce. Always welcoming customer input allows them to manufacture and cultivate modern new products that are effortless to service and handle, deliver optimum value-for-cost and meet international standards. Thriving on consumer opinion enables Genie Industries to continually evolve and satisfy the consumers' needs.

Genie's service professionals are eagerly accessible to offer solutions to the inquiries you may have in order to keep you fully operational. Their expansive components network will promptly send components to ensure their consumers' machines are running efficiently. Each product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They manufacture and service their products to boost efficiency and uptime on the job. Delivering on-going instruction opportunities, to marketing support to flexible financing possibilities, Genie Industries provides their customers the resources to get the most out of their investment.
