Nissan Forklift

Nissan Forklift Training Kingston - Nissan prides itself on reaching overall client satisfaction when their client is enjoying one of their various trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and meticulous quality values to their customers. Incorporating a rich heritage combined with solid manufacturing principals, Nissan Forklifts provide many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four independent manufacturing facilities that permit them to persistently adapt to their clients continually evolving needs by offering an array of innovative ideas and designs.

The Nissan Forklift North and South American center is located in Marengo, Illinois. A loyal team of 350 personnel is committed to the collaboration, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to maintain environmental responsibility by utilizing methods that diminish the worldwide influence of their products and processes. These high values remind clients that Nissan operates under the quality seal that their customers require whilst being an environmentally aware organization.

Nissan is certain that they will be able to address any customer questions or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
